**REPORT AND RECOMMENDATION**

On August 25, 2017 a Probation Petition and Order for Summons (ECF #38) was entered in this case when defendant failed to complete community service as ordered. He appeared before this Court on that summons on September 6, 2017.

This Court held a status conference on November 1, 2017 and was informed that defendant has now completed all community service. U.S. Probation has recommended that the petition be dismissed and defendant's supervised release be terminated; there was no objection to this recommendation by either party.

Accordingly, it is recommended that the Probation Petition and Order for Summons (ECF #38) be dismissed and that defendant's supervised release be terminated.

IT IS ORDERED

Dated: November 2, 2017
